Purely Business!

The columns of a newspaper represent a cash value. No publisher can afford to give advertising "notices" for any more than a merchant can afford to give his goods for free. DON'T TELL YOUR TROUBLE.

Don't tell your trouble to your friend, Tho' he may patiently attend; At best he gives but little care, He has, you know, his own to bear.

Your trials drive repeat not o'er, Would you be voted not a hero; The most of care are quite severe To mislay's gloomy, dark reserve.

"Don't wear your heart upon your sleeve," Expecting all the world to grieve; Unnumbered lips will slip your wine, But few will find to share the brine.

Complain not; things are well enough, All feet must tread paths sometimes rough; Who seeking pearls within life's cup Hath never gathered a pebble up!

Think not indeed that none doth know Such sorrow keen, such depth of woe; From myriad hearts the self-same cry Doth daily pierce you dull, gray sky.

Keep present worries out of sight, Of future ones feel no fright; Believing, trusting, glad and gay, In cheerfulness pursue thy way.

TRAIN ROBBERS

Bind and Gag a Messenger on an Express Car

On the Kansas City, Pittsburg & Gulf Road Near Port Arthur.

The Local Safe Was Opened and Everything of Value Was Taken—The Through Time-Lock Safe Was Not—Robbers Got Considerable Booty.

KANSAS CITY, Mo., Jan. 5.—After about three months of inactivity Kansas City's train robbers scored another brilliant achievement Tuesday night. This time the Kansas City, Pittsburg & Gulf road is the sufferer. The company's Port Arthur special, which left the company's depot here at 6:40 Tuesday night was robbed before it had passed beyond the city limits. Two men, whom no one could identify, entered the express car and bound the messenger, bound and gagged him, and rifled the car before the train came to a stop. When the train slowed up at a railroad crossing known as Air Line Junction, near the southeastern limits of the city, they climbed out of the car and disappeared. Nothing was known of the robbery until a Negro train driver entered the car and found the helpless express messenger.

After the train had been stopped and others of the crew had come forward and released the express messenger, it was found that the robbers had rifled the local safe, taking from it everything of value. They had also made an effort to disturb the through safe, which is protected by a time lock. From Air Line Junction a telegram was sent to the city and the train proceeded south. The Wells Fargo express company here at C. T. Tens, local manager, said that the robbery was not such of value in the local safe and that \$200 or \$300 would probably cover the company's loss. The telegrams however the impression that the robbers secured several thousand dollars in money and jewelry.

The report received by the express company's office here states that the robbers entered the express car as the train was passing the Air Line Junction. The rear door with a jimmy. E. N. Hyde, of Kansas City, was the express messenger. Upon turning from his work he looked into the barrel of a six-shooter. The messenger offered no resistance, though he was well armed, and after the robbery was complete the two stood guard over him while the other rifled the safe.

The robbers are described as smooth-faced young men, and the fact that both were extremely nervous while in the express car is taken as evidence that they were new to Kansas City's force of train robbers.

KETCHAM'S WILL

Admitted to Record By Judge Kohlman—The Heirs Will Be Heard.

CHICAGO, Jan. 5.—Judge Kohlman has admitted to record the will of Ketcham to record. The lawyers for the Ketcham heirs announced that they did not desire to question the admission of the will to probate at this time, and simply asked for an appeal from the probate court admitting the instrument to record. This was allowed and the matter will come up again in the regular course next in the circuit court, where before a jury, the entire question of the mental capacity of Mr. Ketcham to make the will can be brought up. The matter of an appointment of an administrator to care for the estate was discussed, but the court continued this phase of the case until January 10.

THE ST. LOUIS CLUB

Franklin Sold to John T. Brush and Associates—The Transfer Made.

ST. LOUIS, Jan. 5.—According to the News John T. Brush is likely to become the owner of the St. Louis baseball franchise within the next 24 hours. Accompanied by William H. Schmidt, Mr. Brush left for St. Louis, hoping to close the deal, which has been pending for three weeks. Mr. Schmidt took with him certified checks for a large amount of money, and it is believed that the deal, all but paying over the money, has been completed for several days. Mr. Brush has held several conferences with Chris Van der Ahe's representative within the last month, and it is said on good authority that he has secured an option on the St. Louis franchise. It is thought that in addition to Mr. Schmidt, A. G. Spaulding, C. G. Spink, and Louis, and also Messrs. Von der Ahe and Muckenfuss were found and emphatically denied to have seen Mr. Brush or Schmidt, and even two Indianapolis gentlemen are at the city and that no deal has taken place as yet.
